FLOOR DEBATE

March 12, 2002 LB 1003

SENATOR CUDABACK: Senator...Senator Schrock, it's been about a week since we were on this bill. If you want to take about two minutes and explain the committee amendments before we go to Senator Beutler, if you wish.

SENATOR SCHROCK: Mr. President, members of the Legislature, off the top of my head I'm not going to remember everything, but one of the main provisions of this bill increases park fees from \$14 over a period of years to \$20, as a graduated fee increase. We incorporated Senator Aguilar's bill in there which allows the Game and Parks to set regulations for small rifle that...during deer season, other than a .22. We incorporated Senator Pederson's bill in there which allows you to paint your fence posts red, and that will mean no hunting. I think the posts have to be a hundred yards apart. There's some language in there about chronic wasting disease and how Game and Parks can deal with diseased animals, and captive herds that may or may not have diseased animals in them. It...it changes some Environmental Trust Board issues. Agency...people with agencies cannot vote on funding for their agency from the Environmental Trust. That was Senator Kristensen's bill. That brings you up-to-date on a lot of the issues that are in the bill.

SENATOR CUDABACK: Thank you, Senator Schrock. Senator Beutler, if you want to take about a minute to explain your amendment before you go into it.

SENATOR BEUTLER: Senator Cudaback, I would move to substitute AM3107 for AM3045. (Legislative Journal pages 923-925.)

SENATOR CUDABACK: No objection, so...

SENATOR CHAMBERS: I object.

SENATOR CUDABACK: There is an objection.

SENATOR BEUTLER: Senator Cudaback, I would move to substitute.

SENATOR CUDABACK: Okay, move to substitute. Senator Beutler, are you...it is a debatable motion.
